## INN-TERNATIONAL

Our work is inspired by the 3 Go's of Jesus—Go and preach the gospel; go and teach them to obey all that I have commanded; go and do the same. Walter Olima personifies all three. He was the first one, as a young boy, to respond to the call for salvation at our crusade in his home town of Agwata, Uganda, in 1998. We have sponsored his education from that point on. He is now in his second year at Busitema University, studying for a Diploma in Crop Production and Management. He gained a First Class grade in his first year, and continues at that high standard. He remains strong in his faith and a firm member of Celebration Church, Agwata, which was formed from the converts of that crusade in 1998, and continues to grow strong in all respects. God is faithful and gives us fruit that remains.

**Next Ministry Trip:** Northern Uganda, 16th—31st July 2013

The focus of this trip is teaching pastors and church leaders, rather than open air evangelism. We will be having some outreaches, but essentially we will gather 300 leaders from across the denominations and networks in three different areas, and provide leadership training and encouragement. These gatherings are invaluable for breaking down the competitive spirit that is strong still, and afterwards there is always a new sense of “we’re in this together for the Kingdom of God and the people.” Rivalry ruins revival.

These trips are expensive, as we feed the people physically as well as spiritually. The budget for feeding delegates is £1020. Fuel, transport, mobilisation, rent of venues and accommodation within Uganda amounts to £511. Airfares are £809 per person, costly because of the time of year. We do not have the funds currently to make this trip happen, so please join us in prayer to ask God to stir the hearts of those He has blessed financially to give that this may be fulfilled as planned. God is faithful and resources His work.

### **Future ministry trips:**

- **14th—31st October 2013 – Brazil:** awaiting details

***Any financial assistance with these ministry trips is most welcome as we fund them all. God bless you! 3 John 1.7-8***

### **The VOICE** (Victory Outreach International Church England)

In 2004, whilst in a ministry trip in Uganda, God spoke clearly to our Director, Peter Marchand, of His desire to open an international church in his home area to cater for the influx of students and workers from abroad. Together with two pastors from Victory Outreach Ministries in Uganda, the church was established. More than 30 nations have been represented there over the past 8 years. Many have come to faith in Christ, been baptized in water and the Holy Spirit, and discovered giftings and ministries, and begun to function in them.

The time has now come for the church to move to another level, which requires greater resources in terms of finance and personnel than is currently available. So Peter, who has been leading the church, will step aside at the end of June this year and hand over to Pastor Chris Gill. The VOICE will merge with Chris’ current church, and become The King’s Church (Gillingham). Contact with former VOICE members will continue through a concept we are developing called Virtual VOICE. God is faithful and builds His church.

### **Relevant Question**

Should evangelism be church-based?

### **Peter replies with Relevant Answer**

Most definitely! Jesus told us to go and preach the gospel and to make disciples and to teach them to observe all that He had commanded. The context within which this teaching and discipling must take place is the local expression of the church which He is building. We are not instructed to persuade unwitting, and often unwilling, souls into making some vague profession of faith under pressure. Too often zealous believers, in their earnest desire to please and obey the Lord march or filter out into the streets to “get some results.” That is not Jesus’ plan.

“I will build My church,” He said, and He did, and still does, by adding people to that extraordinary body of “called out ones” wherever they may be gathering, in large or small numbers, and in a wonderfully diverse manner according to the gifts, talents and abilities He has given them. They gather to be taught and protected from the wild winds of false doctrine, false prophets and false apostles, to be strengthened, nurtured and brought to maturity. That cannot be done other than through interaction of person to person.....the church!
